¹ All contributions for the 2008 plan year are estimates. Amounts include all contributions made to the Grace Retirement Plans, including past contributions to union plans to effectuate benefits increases.

² Bolded blocks indicate minimum required contributions for the 07-08 Funding Period: July 2007 to April 2008.

³ The projected total of the minimum required contributions for the 2008 calendar year is the approximate mid-point of the likely range of that total for 2008 – that range is \$48 million to \$62 million.
